Arts, Humanities, and Communications

Are you an artist just waiting to share your creativity with the world? Or maybe you have a great voice, like me, and you want to host your own radio show or podcast. Whatever your creative expression is Massasoit's Arts, Humanities, and Communications pathway provides students with hands-on experience to study culture, digital media, theatre, visual, and graphic arts. To learn more about our programs and state-of-the-art facilities visit massasoit.edu.

Business Administration and Management

Massasoit's business and administration pathway prepares students for opportunities in accounting, sales, retail, advertising and more. The business pathway includes a career track for students looking to enter into the workforce, and a transfer track for students looking to continue their education at a four-year college or university. Our programs easily transfer to many four-year colleges and universities. To learn more about business administration and management at Massasoit, visit massasoit.edu.

Culinary & Hospitality Ad

If your goal is be a restaurateur, executive chef, or major events planner, then you need to enroll in Massasoit College's culinary arts and hospitality programs. Our culinary and hospitality pathway provides students with hands-on training in food design and preparation, as well as marketing, tourism, and event planning. The program emphasizes the latest technical and creative skills and features a culinary lab and full-service kitchen. For more information, visit massasoit.edu.

Education, Human Services and Social Sciences

Massasoit's education, human services and social sciences pathway gives students the opportunity to explore and research topics in society through education and social service careers. We offer certifications and transferable degrees that allow students to continue their education at a four-year institution. To learn more about education, human services and social sciences at Massasoit, visit massasoit.edu.

Health Sciences and Nursing Pathway

Massasoit's health and public safety pathway provides students with extensive hands-on training that prepares them for healthcare, emergency response, and criminal justice careers. Our students are taught by experienced, professional faculty, and have access to state-of-art training facilities on our campuses. Students in our allied health programs also participate in off-campus clinical training providing them valuable experience in their career field of choice. To learn more about health and public safety at Massasoit, visit massasoit.edu.

Public Safety

Massasoit's health and public safety pathway provides students with extensive hands-on training that prepares them for healthcare, emergency response, and criminal justice careers. Our students are taught by experienced, professional faculty, and have access to state-of-art training facilities on our campuses.
